

Awty School Store Information 2005/2006

The School has a Book Fee in Pre-School (PS) and Lower School (LS) in both the International and French Bilingual Sections, which has reduced costs to parents and greatly simplified the book-buying process at the start of the year. The Book Fee is invoiced through the Accounting Office, and will be due August 1, 2005.

In Lower School (LS), since English as a Second Language (ESL) and foreign language levels are established for each student at the start of the school year, these books are **not** included in the Book Fee, and may be purchased through the Store. However, in Pre-School (PS), these items are included in the Book Fee.

In Pre-School and Lower School, textbooks and supplies will be delivered to the student's classroom at the start of school.

Due to the complications of multiple elective options, Middle School (MS) and Upper School (US) students in both Sections must pre-order in the spring and will be invoiced individually through the Store. Families may pay by cash, check or major credit card, prior to distribution of the books in August. This year, there will also be the option of charging the books to your school account.

Middle School and Upper School Book Sale: August 15 to 17

Pre-School and Lower School students DO NOT need to attend the Book Sale.
